## HAVE A VAN-WORKIN' ON A PLAN!

*A Note from Mindi, Community Coordinator*

And we are mobile! Well—soon... The Elevate team is pumped to give you a sneak peek at our latest addition. Get ready to see the Elevate van cruising through your community!

This van will be a valuable tool for us to continue to impactful work we are doing to help our communities stay connected and age well. From distributing the coveted monthly newsletters to eventually being able to provide rides to critical medical appointments for those who have a transportation barrier: our little van will serve us all well. As we embark on all the adventures that July will bring, I hope to see you at one of our upcoming events. And when you see the Elevate van, I hope you'll come find me and say hello!
