VOLUNTEER OPPORTUNITY *Reading Buddies*

Kinship is kicking off Reading Buddies at Heart of the Lakes Elementary School on Wednesday, November 1st, and there's still time to join in! We'd love to get 30+ volunteers to read with students each week.

We ask that volunteers commit to the first and third Wednesdays of the month so that the young readers have a consistent partner to read with. You can choose to read with 1st-3rd graders at 9am, 10am, or 11am, or with Kindergarteners at 12pm. It is about an hour-long time commitment.

TAKE THE COMMUNITY HEALTH NEEDS ASSESSMENT!

Every three years, the Community Health Needs Assessment helps us learn more about the health and well-being of people in our community. Then a partnership between public health and health care providers come together to use the survey information to improve community health, which is where programs like Elevate come from. Help us understand more about our community by taking the assessment today!

Take the assessment here:
