

The Perham Farmers Market is run by Elevate in partnership with the Perham Chamber and City of Perham. We greatly appreciate the support of vendors and community members who make the market a great opportunity for supporting local vendors and farms!

Application

Those wishing to participate in the Market must complete an application form at elevateotc.org/farmers-market.

Market Operations

- The Market will begin at exactly 9am. No sales are allowed before this time. Failure to comply with the starting time may result in loss of future selling privileges.
- Market will occur rain, shine, or snow.
- Any issues that arise that cannot be resolved by the vendors during Market Hours could result in the termination of the Market.

Market Set Up

- Vendor spaces are based on a first-come basis. Vendors should restrict their areas to 12 ft x 12 ft spaces.
- Vendors should set up consistently in the same place and should respect other vendor's space.
- Vendors should be set up by 9am.
- Vendors should set up an even distance between each other and from the parking area.

- After setting up your space on Market day, move your vehicle away from the market (unless you need special set up like refrigeration or electricity). We want to keep parking spaces open for customers.
- Unless sold out, the expectation is that the vendors stay open until 1pm.

Vendor Stall Space

- Each vendor who has joined the market will have access to one stall space. A stall space is generally 12 ft by 12 ft in size (typically area per canopy).
- Stall space cannot be shared by another vendor. Each vendor who wishes to sell at the market must fill out an application.
- All displays must be neat and tasteful.
- Vendors are responsible for providing all tables, canopies, and other items needed for their display.
- The general cleanliness of the Market area is everyone's responsibility. All vendors must keep their area neat while selling and make certain that the area is clean before leaving.

Other Operations

- All Market vendors should represent themselves in an appropriate manner, dress, and state of cleanliness. Shirts and shoes must be worn.
- All vendors agree to abide by fair business practices.
- No smoking by vendors in the market. Move 100 feet away from the market to smoke.
- Any vendor who is not complying with the Market rules may be asked to leave. If conflicts cannot be resolved, Elevate has the right to close the Market.

Permits, Licenses, Taxes, and Insurance

- Vendors selling homemade goods must have a current Cottage Food License.
- Vendors may want to seek advice of an insurance agent or carry additional general or product liability insurance. Please also check with local, state, and federal regulations related to the items you are selling.
